THREE DAYS AFTER
THE TRIP'S RETURN.

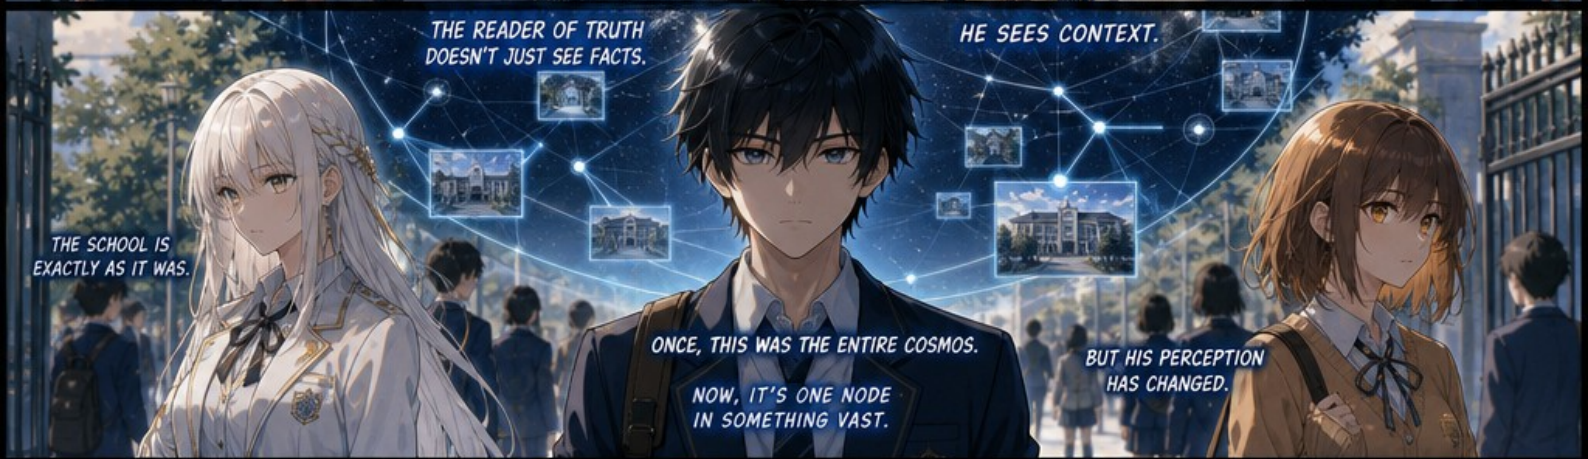

AN ORDINARY
MORNING.

THE READER OF TRUTH
DOESN'T JUST SEE FACTS.

HE SEES CONTEXT.

THE SCHOOL IS
EXACTLY AS IT WAS.

ONCE, THIS WAS THE ENTIRE COSMOS.

NOW, IT'S ONE NODE
IN SOMETHING VAST.

BUT HIS PERCEPTION
HAS CHANGED.

THE BUILDING.

BUT BEYOND
THE HORIZON
OF THIS PLACE—

MORE NODES.
MORE TRUTHS.

MORE CHOICES

NOTHING LOOKS
DIFFERENT.

AND STILL,
EVERYTHING
FEELS SMALLER.

NOT IN VALUE—
IN SCALE.

WE'VE SEEN
ENOUGH NOW
TO KNOW.

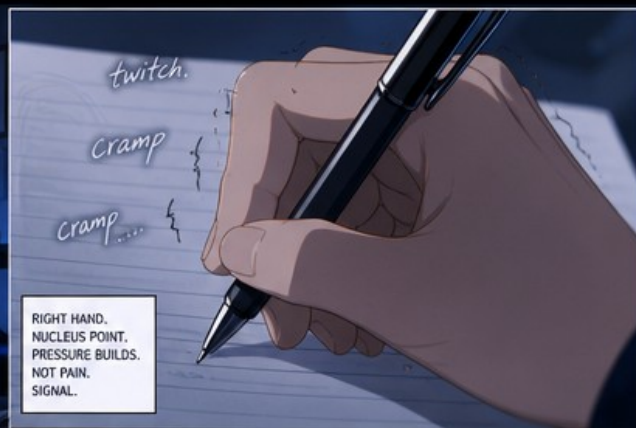

THE SCHOOL DOES NOT
KNOW IT IS SMALLER NOW
THAN IT WAS A WEEK AGO.

AND THAT IS FINE.

SOME TRUTHS
ARE NOT FOR
ANNOUNCEMENT.

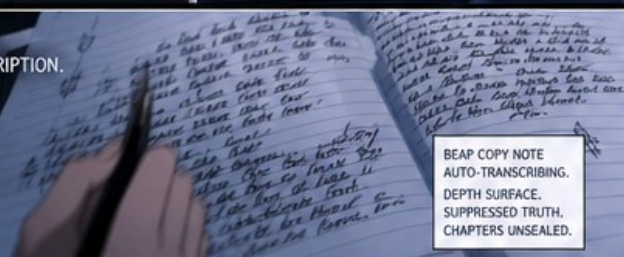

1 THE ONSET.
FAMILIAR.
NOT ENEMY.

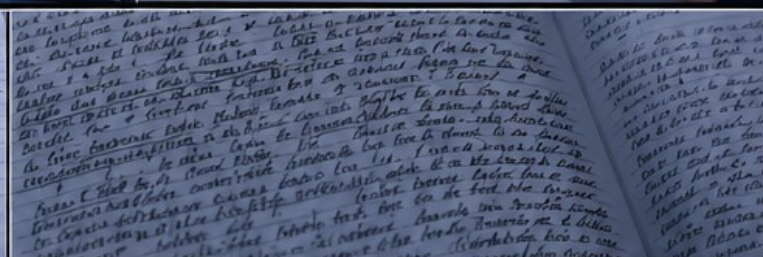

RIGHT HAND.

NOT PAIN.

REGIONAL DEVELOPMENT
COMMITTEE CHAIR.

PRESENT-TRUTH READING: COUNCILLOR WATABE

Believes classification was
technically sound at the
time of approval.

Contamination levels fell within
"acceptable parameters" as
defined by existing framework.

Framework was the best
available consensus.

Economic benefit to
the region is substantial
and measurable.

Jobs. Infrastructure. Future
investment. Generational
opportunity.

Risk is real, but manageable
within projected models.

Not zero. But not catastrophic.
Resources will adapt.

MORAL CONFIDENCE: UNTROUBLED.

He believes he is doing good.
He sleeps well.

Would make the same decision
again. Without hesitation.

It is the responsible choice.

NOT GUILT.
NOT DECEPTION.

NOT EVEN
SELF-JUSTIFICATION.

JUST... CERTAINTY.

HE IS INNOCENT.

BY HIS OWN
INTERNAL
ACCOUNTING.

MORE DANGEROUS
THAN ASHIDA EVER WAS.

NOT BECAUSE HE IS
CRUELER.

BUT BECAUSE
HE HAS NEVER HAD
TO DOUBT HIMSELF.

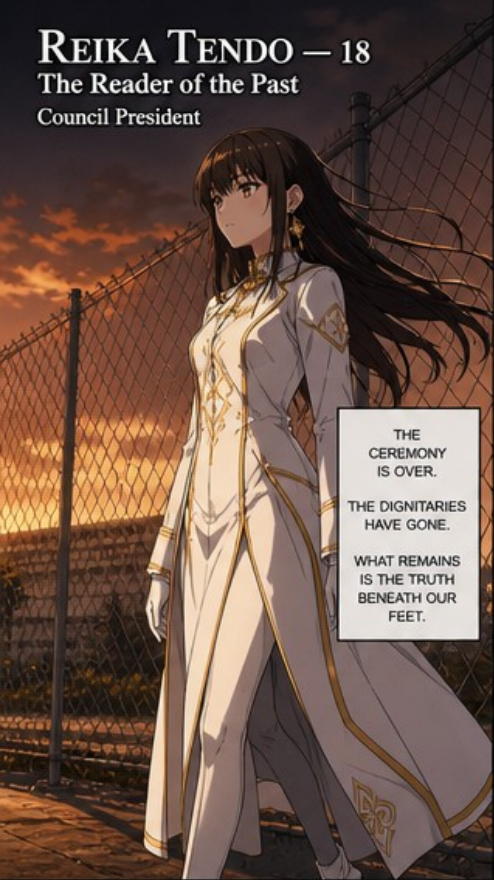

A MAN WHO CANNOT
QUESTION IS A MAN
WHO CANNOT BE
REASONED WITH.

ONLY STOPPED.
